**Dear Editor:**

The Cambridge-Isanti Dollars for Scholars Phonathon experiences success because of you. The Dollars for Scholars Foundation Board wishes to extend an appreciative thank you to the residents of the Cambridge-Isanti School District.

The 13th annual Dollars for Scholars' Phonathon was held April 9 and April 10. Approximately 40 high school seniors participated in making phone calls to match the 2006 pledge amount of \$21,725. With the final phone call Tuesday evening April 10, the total pledge amount tallied \$22,335, exceeding last year's mark by \$610. Through your generosity and support, scholarships will be available to assist Cambridge-Isanti Seniors in their pursuit post secondary education opportunities

The Dollars for Scholars Foundation Board wishes to extend a most heartfelt thank you to everyone who pledged donations and volunteered their time making this evening a remarkable success.
