Cambridge-Isanti Dollars for Scholars Foundation honors the late Dorothy Munkberg

"The Board of Directors of Cambridge-Isanti Dollars for Scholars (DFS) convey their heartfelt condolences to the Munkberg family. The board gratefully acknowledges the numerous contributions Dorothy Munkberg has made to DFS and the entire community."

Dorothy Munkberg was a tireless ambassador for the foundation through her active involvement to ensure scholarships would be given to every Cambridge-Isanti high school senior that applied. She was co-founder and one of the first directors of the board in 1990. Dorothy was passionate about DFS and had a tremendous impact on the success of DFS. The assets of the Foundation, which she dearly loved, grew substantially as a direct result of her efforts. She will be remembered for her consistent support and always leading through understanding and insight. Dorothy Munkberg's legacy embodies the values of the Cambridge-Isanti Dollars for Scholars Foundation and she will be missed.

"Generosity is an extraordinary force. It creates hope and possibility. It embraces the real needs of real people at the same time it celebrates their humanity. So what does it take to give? Compassion. Initiative. Purpose. But to reach its full potential, generosity also needs integrity, guidance and deliberate, responsible supervision. When people decide to give, and then focus their ideas and energies intelligently, excellence emerges from a community. Person by person. Community by community. Truly, it's as simple as that." ~Author Unknown
